VERY IMPORTANT - If any owner or guest should arrive with more vehicles per condo than what is allocated, or with an overheight vehicle that will not fit in to the parking garage, it is the responsibility of the owner/guest to locate and pay for extra parking. There is NO parking available on the roads outside of properties, as these areas need to be clear for snow plowing/removal, and vehicles will be towed at the Owner's expense if this is violated. Whiski Jack will not be responsible. There will be VERY LITTLE public parking available during the Olympic Period.

The **day parking lots** on Blackcomb Way WILL NOT be available for public parking during the Olympics. The exact date that they will be closed is still to be set, however you CAN NOT rely on these lots for parking extra vehicles. You will not be able to park in any lots 1-8, therefore no overheight parking is available.

HEIGHT RESTRICTIONS - please take in to account the added height of any ski racks/ski boxes on the top of your vehicle. Whiski Jack will NOT be responsible for any overheight vehicles, it is the responsibility of the owner/guest.

Whiski Jack will not be responsible for any valuables left in your vehicle.

*Please note: The cost of parking at the Westin is subject to change without notice at the discretion of the Westin Resort and Spa, Whistler. \$32 per day is for Valet parking, you may self park for \$28 per day
